Review the final draft for STR law, before sending our recommendations to town board.
Events will not be allowed at STR's.

The committee made a motion to remove the clause added by the town board without our knowledge, giving themselves the power to add & change caps yearly. Almost everyone who is renting, & getting permits to rent, has invested hundreds of thousands of dollars into what the town is permitting as a legal business. The town board should not have the right to change the rules & adversely affect this permitted business on a yearly basis without the knowledge of the owners & the right to a say at a public hearing. Motion: Sam / Aden 5 yes votes / 1 no STR law is now ready to be recommended to TB for public hearing.

Next meeting: plan on adding & changing definitions in the use table

Adjourn: 8:12pm
