

Recreational Advisory Committee Meeting Nov 13th, 2019

- 1) Jack Stagemeyer presented – Boy Scout Eagle project
 - Proposes a tennis backboard at Cantine Field
 - At east side of one tennis court facing the baseball field.
 - 8' high by 24' wide.
 - Will not be portable
 - Estimated cost: \$950
 - Jack will do a fundraiser through his Scout troop.

Greg C: We have had numerous requests for such a backboard.

Q: What type of plywood?

A: Marine grade, plus finish

Does not take one tennis court out of action.

- 2) Greg Chorvis:

Terpening Park pavillion is complete.

- There is an electrical outlet, and a box for a light. Not sure if a light will be put in.
- This could be booked out in the future.

Thornton Field lighting project is underway.

- Trenching is started, electrical will be done.
- Waiting for Central Hudson to tie into a transformer
- Trees will be taken down by a volunteer, gratis.

Kiwanis Ice Arena

- Progress is being made - still hoping to be open first of December - Nov 16th date will not be met.
- If not open by December, we will lose business.
- Workers are doing 10 hour shifts, may add an additional crew.
- Will drop down to one public session on Saturdays.
- We have lost a girl's team for this season.
- Others players have moved to teams outside of Saugerties.
- There are rumors the entire season has been lost - these are not true
- There may be some legal recourse - \$500/day after Nov 16th per contract, and there may be "liquidated damages"
- Cost of the project will be reduced by the amount of work being done in house.
